The personal information we process

We only process personal information you provided to us:

- Name
- Email address
- Postal address (business)
- Phone number (business)
- Payment information (business)

For the following purposes:

- Processing your payments
- To contact you if necessary to provide our service
- For legal obligations, such as TAX declaration

We do not process any sensitive personal information.

Automated decisions

We do not use automated processes to decide on matters that might have (serious) consequences for persons.

Retention periods

- Email correspondence: 7 years minimum (maximum of legal retention requirement and product lifespan)
- Payment information: 7 years (legal retention requirement)

Sharing of personal information with third parties

We only share data with third parties if this is necessary in order to execute our agreement with you, or to fulfil legal requirements.

Inspection, correction or removal of personal information

You can send a request to inspect, correct, remove or transfer your personal information to the above contact address. Also you can send a request to withdraw your permission or object to the processing of your personal information to the contact address. We will process your request as soon as possible, but at least within four weeks.

Protection of personal information

We take the protection of your personal information seriously. We take precautions to minimize the risk of loss, theft or unauthorized use of your personal information. If you are under the impression that your personal information is not adequately secured or you have reason to believe your personal information is being abused please contact us.

Cookies

We only use technical and functional cookies. We do not use analytical or tracking cookies.
